Crossing 2 Zones (Daytime)

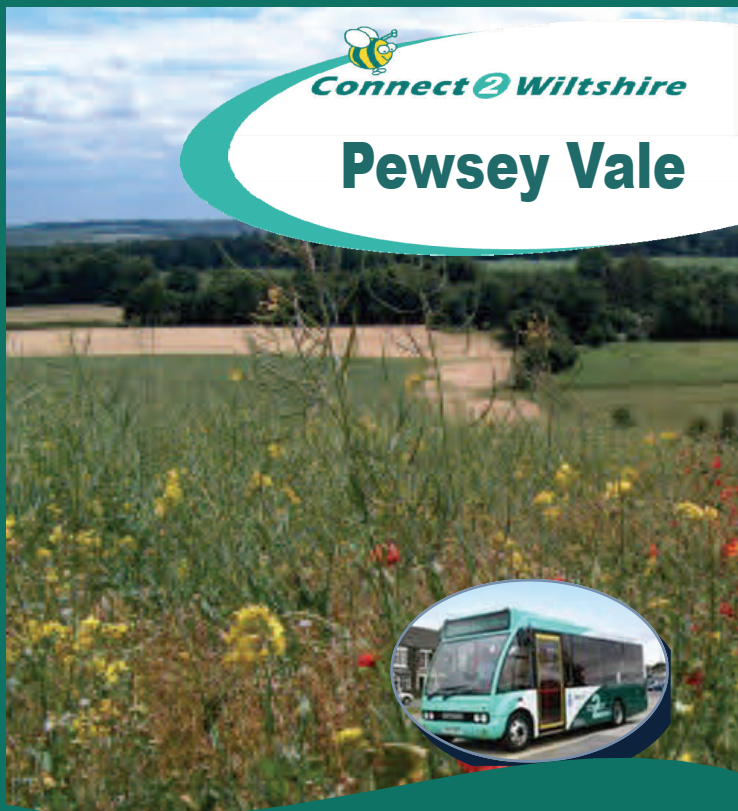

Following the consultation exercises that were carried out last year, Wiltshire Council has been working with the Devizes and Pewsey Community Area Partnerships and the Devizes Passengers Transport Group, to devise a new timetable for the Connect 2 Wiltshire services in the Pewsey Vale that can be operated in a more cost effective manner, whilst still catering for the needs of the majority of its customers.

These new timetables will be introduced on the 1st February 2016.

This service is partly "hail and ride" with fixed stops and times and partly a bookable "wigglybus". The drivers will be happy to help you navigate how this service operates.

So please read the timetable carefully and book your seat in advance where # is shown as the bus "Calls at this point if required to pick up or set down pre-booked passengers." Please ring 08456 525255 and select option 1 to book a seat.

We realise that these changes may take some getting used to and so if you need further advice on the new timetables, please ring the team on 01380 860100, or email us at connect2@wiltshire.gov.uk, or write to the Connect 2 Wiltshire Team, Passenger Transport Unit, Wiltshire Council, County Hall, Trowbridge.
